

# 1953 Research

## What was happening in 1953?

Bradbury published *Fahrenheit 451* in 1953. What might have inspired him to write it? To better understand what was happening during that time, do some research on the time period. Then, record two important events for each of the following slide's categories. Write the dates and a small description of the events. Bullets are fine.

Medicine/drugs:

How did this impact Bradbury and the book?

War/warfare:

How did this impact Bradbury and the book?

Politics/politicians:

How did this impact Bradbury and the book?

Transportation:

How did this impact Bradbury and the book?

Entertainment:
