

Read the FLAPPY BIRD ARTICLE in the Fahrenheit 451 section of my website. Then answer the following questions in multiple complete sentences.

1. Do you agree with the creator's decision to pull the game from the App Store?

2. Have you played the game? Or know someone who plays it? How do you feel about it?

3. Do you think it was the creator's responsibility to manage user's addition? What would you have done?

4. How does this connect or not connect to the society of Fahrenheit 451?
