**Holocaust Books: Week 1 Questions**  
*What is your book about?*

After completing your reading assignment each week, you will be meeting with the other students who read the same book that you did. With your group, answer as many of the questions given below as possible. It is possible that the answer to a particular question may not have been given in your book. Skip any questions that you cannot answer and give detailed answers for those that you can answer. Be prepared to share in a jigsaw what your group has learned with the members of other groups.

1. Who is the narrator of your book? Tell as much as you can about him or her (gender, age, nationality, religion, etc.).
2. Who are the main characters? Again, tell as much as you can.
3. What is the setting (time, place, mood)?
4. What is the main conflict or problem in your book? What are some minor conflicts?
5. What have the Nazis done in the book so far? What are the main characters' opinions of them?
