*Johnny Tremain Part IX "The Scarlet Deluge" Notes*

1. Where are meetings about the coming conflict now held? Why is this less suspicious?

2. How does Johnny effectively obtain the Redcoats plans to reinforce Portsmouth?

3. What is the significance of the following characterization of Dove:  
"As he talked, the crumbs came dribbling out of the corner of his loose mouth" (236)

4. Describe Nan and Sandy

NAN	SANDY

5. How does Johnny feel when riding with Lt. Stranger? How do these feelings change when the two are not riding together?

6. Who rescues Johnny from the British encampment? What deal is made between the two afterwards?

7. How does King George feel about the job General Gage is doing in Boston? What changes are expected?

8. Describe how Nan and Sandy react to the soldiers on the Common?

NAN	SANDY

Why are these details important?

9. What is Johnny's reaction to the execution that he witnesses?
